CAREER OBJECTIVE

Highly skilled and motivated web developer with 1.5years of experience in designing and developing dynamic, user-centric websites and applications. Proficient in front-end and back-end technologies, including HTML5, CSS3, JavaScript, React, Laravel, MySQL, PHP and database management. Proven ability to deliver high-quality projects on time and within budget. Eager to contribute my expertise in crafting seamless digital experiences and driving innovative solutions for clients, while continually expanding my skill set in the rapidly evolving tech landscape.

WORK EXPERIENCE

Front End Developer

2021 - 2022

Creative IT

As a front-end developer, I excel in creating visually stunning and user-friendly web interfaces. Proficient in HTML, CSS, and JavaScript, I transform design concepts into responsive and interactive websites. Skilled in leveraging frameworks like React and Angular for efficient development. Committed to optimizing performance and ensuring cross-browser compatibility. Strong collaborator, adept at code reviews, and dedicated to continuous learning in the ever-evolving field of web development.

Back End Developer

2022 - 2023

Creative IT as Intern

Hello! I'm Odoyn, a passionate Laravel developer with 1.5 years of experience in building robust and scalable web applications. My expertise lies in crafting efficient and elegant solutions using the Laravel PHP framework.

WordPress Developer

2021 - 2022

AsrafulCare

As a WordPress developer, I specialize in designing, developing, and maintaining websites using the WordPress platform. Proficient in customizing themes, plugins, and templates, I ensure an enhanced user experience and functionality tailored to clients' specific needs. Skilled in HTML, CSS, PHP, and JavaScript, I create visually appealing and responsive websites while adhering to industry best practices and delivering high-quality solutions. Additionally, I possess expertise in optimizing website performance, ensuring security, and providing ongoing maintenance and support.

KEY ACCOMPLISHMENTS

- Developed and maintained multiple Laravel applications, optimizing their performance and ensuring seamless user experiences.
- Integrated third-party APIs for payment gateways, social media, and other services to enhance application functionality.
- Implemented responsive designs and UI/UX improvements for a better user interface using React.js and Blade templates.
- Collaborated with cross-functional teams to deliver high-quality software on time and within budget.
- Ensured code quality and maintainability through code reviews and adherence to best practices and coding standards.
